

MINUTES OF
ST. GEORGE SELECTBOARD MEETING
March 8, 2007

Present: Tom Carlson, Phil Beliveau, Bob Gugerty and Barbara Young

Minutes of February meeting were approved.

Mail reviewed.

Reappraisal presentation from Bill Hinman postponed due to scheduling confusion. Reviewed bids to date: Vermont Assessors (current provider) \$24,000; AMPTA \$23,700; Hinman Associates estimating \$21,000-25,000, subject to review of records. Need to narrow that down when he comes in April.

Conference call with Paul Gillies, town attorney, regarding Shelburne boundary issue. Approved initial research phase.

Discussion of Town Meeting followup. Resolved to try to start budget process in October and November.

Reviewed two proposals for map storage project and chose Marotti.

Renewed town appointments per town report, with Lori Ring to replace Fred Erdman as lister.

Under new business, agreed to support petition opposing same day Voter Registration based on difficulty of voting day verifications and preoccupation with election administration.

Next meeting April 12.
